FLORENCE

SEWING MACHINE.

Copy of the Report of the Committee of Awards at the Fair of the

AMERICAN INSTITUTE
NEW YORK, 1865.

To the FLORENCE SEWING MACHINE CO. for the Best Family Sewing Machine.

HIGHEST Premium! Gold MEDAL!

REASONS:

1st.—Its simplicity and great range of work.
2d.—The Reversible Feed Motion.
3d.—The perfect finish and substantial manner in which the Machine is made.
4th.—The rapidity of its working and the quality of the work done.
5th.—The self-adjusting Tension.

The Florence was awarded the first and highest premium at the State Fair of California, the only Fair on the Pacific coast at which any two double thread Sewing Machines were exhibited in competition in 1865.

The Florence received the only premium awarded, by the Mechanic's Institute of San Francisco, in 1864 and 1865, to any Sewing Machine, Sewing Machine Co., or Agent. The claim of a competitor to a medal is without any foundation whatever.

Wherever the Florence has been brought in competition with other Sewing Machines, it has always been declared the best. The most simple, the most substantial, the most efficient, and its use is easily learned. Every Machine sold is guaranteed in the full sense of the word.

MEDICAL.

FRENCH MEDICAL OFFICE.

DR. JULIEN PEREAULT, Doctor of Medicine of the Faculty of Paris, Graduate of the University Queen's College, and Physician of the St. John Baptist Society of San Francisco.

Dr. PEREAULT has pleasure to inform patients, and others seeking confidential medical advice, that he can be consulted daily at his office, Armory Hall Building, North-East corner Montgomery and Sacramento streets, San Francisco. Rooms No. 9, 10, 11, first floor, upstairs entrance either Montgomery or Sacramento streets.

Dr. PEREAULT's studies have been almost exclusively devoted to the cure of the various forms of Nervous and Physical Debility, the results of injurious habits acquired in youth, which usually terminate in impotence and sterility, and permanently induce all the concomitants of old age. Where a secret infirmity exists involving the happiness of a life and that of others, reason and morality dictate the necessity of its removal, for it is a fact that premature decline of the vigor of manhood, matrimonial unhappiness, compulsory single life, etc., have their sources in causes, the germ of which is planted in early life, and the bitter fruit tasted long afterward; patients, laboring under this complaint, will complain of one or more of the following symptoms: Nocturnal Emissions, Pains in the Back and Head, Weakness of Memory and Sight, Discharge from the Urthra on going to stool or making water, the Intellectual Faculties are Weakened, Loss of Memory ensues, Ideas are clouded and there is a disinclination to attend to business, or even to reading, writing or the society of friends, etc. The patient will probably complain of Dizziness, Vertigo, and that Sight and Hearing are Weakened and sleep disturbed by dreams, melancholy, sighing, palpitations, faintings, coughs and slow fever; while some have external rheumatic pain, and numbness of the body. Some of the most common symptoms are pimples in the face and itching in different parts of the body. Patients suffering from this disease, should apply immediately to Dr. PEREAULT, either in person or by letter, as he will guarantee a cure of Seminal Emissions and Impotence in six to eight weeks.

Patients suffering from venereal diseases in any stage Gonorrhea, Gleet, Stricture, Babo Ulcers, Catarrhes Eruptions, etc., will be treated successfully. All Syphilitic and Mercurial Taints entirely removed from the system.

Dr. PEREAULT's diplomas are in his office, where patients can see for themselves that they are under the care of a regularly educated practitioner. The best references given if required.

SEMI-WEEKLY ENQUIRER.

LIVELY TIMES.—On Monday last, the canine portion of the population, having well considered the matter, came to the conclusion to throw their influence in the scale and give our burg the air of lively times by creating a sensation—as has not been witnessed for many a day—by fighting from one end of Main street to the other. The combatants in this well contested battle were Dykes' old dog who holds out at Arntstein's, the other being Seffens' dog, Tip. It appears that these dogs have been at variance ever since the memorable foot race which occurred between their masters some time since, and, embracing a good opportunity, essayed to settle their differences on the occasion mentioned. Arntstein's dog looked like he had just emerged from a contact with one of the new French infernal machines which are supposed to annihilate whole regiments at a discharge: his dog resembled a thing that had stood over a hundred pounds of nitro-glycerine. We don't know, but suppose both were badly whipped, they being in a condition to serve as sausage without the usual hashing process. It is intimated that quite a sum of money changed hands on this fight. The amount we are sorry we were not able to learn.

ATTEMPTED ROBBERY.—On Saturday last, two Chinamen were stopped on the trail between this place and Little York by three foot-pads who demanded their money, but the Johns not having any of the "filthy lure" "couldn't see it," whereupon the noble knights of the road pounded one of the Celestials nearly to death because he had no money, and finally, after satisfying his anger and disappointment told John if he was ever caught without money he would be killed. This is the first instance of attempted robbery we have heard of in this neighborhood for some time; these surroundings do not present a very favorable field for the operations of road agents.

PIOUS MOVE.—We see that the religious of the Methodist persuasion were out Monday soliciting aid for the local preacher, Rev. Mr. Coole. This gentleman comes to us well recommended as well worthy any assistance that may be tendered him; and as we are obliged to have a minister among us we hope those who are able will give all their means may warrant.

RAIN.—On yesterday the windows of heaven opened and one of the most severe rains with which we have been visited, occurred, making a bountiful supply of water to all who are in condition to take advantage of it.

As yet, the miners of this immediate vicinity have not commenced washing, owing to the slide which occurred above Alta some time since, talking off the ditch of the Dutch Flat Water Company, and necessitating the building of a flume some thousand feet in length, which has not been completed.

Our neighbors at Gold Run, however, are faring much better, they being able to commence operations with the first rains, and now present a scene of busy activity, second to no district in the State.

CHARLES F. JOHNSON, one of the founders of the San Francisco Morning Call, died in that city on Sunday last after an illness of about six weeks.

SAMUEL BROWN, a negro, was killed in San Francisco on Sunday in a fight. George Stanley, alias Cockeye, was arrested for the murder.

WILLIAM ROSE committed suicide in Sacramento on Sunday last, by shooting himself with a pistol. He was a harness maker, from Nova Scotia, aged 33 years.

KEEP your hair on your head, by using Crockett's Amygdaline—it cleans the scalp, promotes the growth of the hair, and makes it soft and glossy.

PITY.—Hon. Hannibal Hamlin very pithily said at Philadelphia the other night, "We honor labor, because labor is the base of our system of Government. We honor the man that shovels dirt, but despise the man that eats it."

SCHOOL CHILDREN IN CITIES.—The following is from a table published in the California Teacher, showing the number of children under fifteen years: San Francisco, 30,694; Sacramento, 3,481; San Jose, 1,666; Los Angeles, 1,284; Marysville, 1,281; Petaluma, 1,147; Santa Barbara, 1,063.

EARLY DAYS OF JENNY LIND.—In 1837 Miss Agatha Bremer came to Stockholm in autumn, and was present at a performance by the pupils of the theater. On her return she related how much she was struck and bewitched by the acting of a little girl as a beggar child. There were wit and genius in every movement. She threw herself heart and soul into the character, and put in droll inventions of her own which were inimitable. There never was such an ingenious, saucy, fascinating little beggar! Miss Agatha, who had a quick, native perception of what was truly good, prophesied a great success for her. The following year her prophecy was fulfilled. The same young girl, Jenny Lind, appeared in the character Agatha in the "Hatter's Bride" and won such immense admiration that the very orchestra forgetting themselves, paused to listen to her heavenly soprano. It is not, however, her enchanting vocal powers, but her thorough womanliness, her Christian love, her faithful and kindly remembrance of her native land, which make Madame Goldschmidt so beloved here.—Miss Hovvitt's Twelve Months with Eredrika in Sweden.

IMPORTANCE OF HAVING DAVIS' PAIN KILLER ALWAYS ON HAND.—Wonderful Cure of the Rev. D. L. Brayton, Missionary in India, who was stung by a Scorpion. Extracts from his letter, published in the Baptist Missionary Magazine. "For the first time since I have been in India, I have been stung by a scorpion. I went out this morning to my exercise, as usual, at early dawn, and having occasion to sit on the edge of the door, I put my foot on a mat, and immediately felt the sting of my hand. The instantaneous and severe pain was such as to render me almost insensible; what an awfully fearful poison their sting must contain! I flew to my bottle of Davis' Pain Killer, and found it to be true to its name: after a moment's rest, I saturated a small piece of sponge, bound it on my hand, and went about my exercise, feeling no more particular inconvenience.

HOPE FOR THE AFFLICTED.—In another part of this paper will be found the advertisement of the celebrated Institute established by Dr. J. C. Toussie, in 1850. In this age of deceit and charlatanism, it is a boon to the suffering to point out to them where they can obtain the wished for relief and cure. Under the care of the skillful Doctor the sick and troubled can divest themselves of their burdens of pain; lay aside their cross, and secure health and happiness. If you are sick or in trouble, do not hesitate. Read the advertisement and follow the advice. Do not forget the number or the manner of directing your letters. MEDICAL ADVICE.—Dr. W. K. DORRIS' Medical and Surgical Institute is becoming a sine qua non to the welfare of our State and health of our citizens; and his rapidly spreading reputation, although it may excite surprise, is but the signal of skill, and follows as the natural result of such a cause. We are personally acquainted with gentlemen who had suffered for years under chronic disease, and who had taken advantage of every available means that promised relief, but without effect, until they called upon Dr. Dorriss, who, in an incredibly short space of time, has given them entire relief. It is gratifying to announce this fact, because the Dr. is a gentleman who seeks, not by deception of others to establish his reputation or ruin of another's fame. The Doctor conducts his own Institute in such a manner as to be gratifying to all his patients. He examines, advises, and recommends without charge, and the patient, after hearing his terms for treatment, can accept or reject at pleasure. In no case does the Doctor make a charge unless he effects a cure. This he is able to do, because he feels the confidence which long experience has given, and no doubt the consolation which appertains to that confidence. Persons afflicted with either acute or chronic disease, would do well to consult the Doctor; at all events, it can do no harm, as for consultation he asks no fee; nor does he insist on obedience to his advice unless the patient places himself under his care. His office is on Sacramento street, opposite the Pacific Mail Steamship office.—News

A NEW AND GRAND CURE IN MEDICINE.—Dr. Maggill is the founder of a new Medical System. The quantitative, whose vast internal doses on feeble the stomach and paralyze the bowels, must give precedence to the man who restores health and appetite, with from one to two extraordinary Pills, and cures the most violent cases with a box or so of his wonderful and all-healing Pills. These two great specifics of the Doctor are fast superseding the old remedies of opium, and upon which people have so long blindly depended. Maggill's Pills are not of the class that are swallowed by the dozen, and of which every box full taken creates an absolute necessity for another. One or two of Maggill's Pills suffice to place the bowels in perfect order; tone the stomach, create an appetite, and render the spirits light and buoyant! There is no griping, and no reaction in the form of constipation, or any other ailment. Its functions are restored; and if the nervous system is feeble, it is invigorated. This last quality makes the medicines very desirable for the wants of delicate females. All chronic and crampy diseases are literally extinguished by the disinfectant power of Maggill's Pills. In fact, it is here announced that MAGGILL'S BILIOUS, DYSPEPTIC AND DIARRHOIC PILLS cure where all others fail. Which for Burns, Scalds, Childbirth, Cuts and all abrasions of the skin MAGGILL'S PILLS are infallible. Sold by J. MAGGILL, 11 Pine street, New York, R. H. McDonald & Co., San Francisco, and all Druggists, at 25 cts. per box. [set 12m]

SPECIAL MEDICAL NOTICE.—Dr. CHAR. H. TOZER would most respectfully inform the citizens of San Francisco, that his MEDICAL INSTITUTE is at the same place, corner of Kearny and Jackson streets, San Francisco, where he has been established for many years, for the cure of special complaints. Having relinquished my old modes of advertising, which has become so common with all the Quack Doctors of San Francisco, filling up the newspapers with false references, for the purpose of imposing upon strangers. I think it is only necessary to inform those in need of a Physician of long experience and successful practice, that I can be consulted at all business hours, at my Medical Institute, corner of Kearny and Jackson streets, San Francisco.

Ladies suffering from the Whites, Piles, Weakness of the Back, Pain in the Side, Headache, Pelvic inflammation, Discharge from the Uterus, Menstrual Sickness, and all other diseases that the Female System is subject to, will find prompt relief by applying to DR. TOZER.

KNOWLEDGE DESTINED.—MADAME E. F. THORNTON, the great English Astrologist, Clairvoyant and Psychometrist, who has astonished the scientific world by the power of her mind, has now located herself at Hudson, N. Y. Madame Thornton possesses such wonderful powers of second sight, as to enable her to impart knowledge of the greatest importance to the single or married of either sex. While in a state of trance, she delineates the very features of the person you are to marry, and by the aid of an instrument of intense power, known as the Psychometre, guarantees to produce a life-like picture of the future husband or wife of the applicant, together with date of marriage, position in life, leading traits of character, &c. This is no humbug, as thousands of testimonials can attest. She will send, when desired, a certified certificate, or written guarantee, that the picture is what it purports to be. By enclosing a small lock of hair, and stating place of birth, age, disposition, and complexion, and enclosing 50 cents and stamped envelope addressed to yourself, you will receive the picture and desired information by return mail. A LAWYER'S DEFENSE.—Among the traditions of Westminster Hall is one of a certain Sergeant Dwyer, who flourished some centuries back, in a darker age than the present. He was accused, once upon a time, by his brethren of the coil of having degraded their order by taking from a client a fee in copper. On being solemnly arraigned for his offence in the Common Hall, it appears, from the unwritten reports of the Court of Common Pleas, that he defended himself by the following plea of confession and avoidance: "I fully admit that I took a fee from him in copper; and not only one, but several; and not only fees in copper, but fees in silver. But I pledge my honor as a sergeant that I never took a single fee from him in silver until I had got all his gold, and that I never took a single fee from him in copper until I had got all his silver; and you don't call that degradation of our order?"

HORRIBLE.—The Los Angeles News says:

"A thoughtless young mother of fifteen years, named Martina, living in the southern part of the city, on Sunday last placed her infant child, six months old, in a sack of a coat without a hole or a haire, and tied the ends of the infant under the belly of the coat so that it could not breathe, letting go the coil; it took fright and ran off with the infant tearing its flesh and breaking its bones until life was extinct and nothing remained of the poor child but a shapeless mass of flesh."

MEDICAL.

THE LIGHT OF THE WORLD. DR. MAGGIEL'S PILLS AND SALVE!

These Life-giving remedies are now given to the world. For over a century of private practice the ingredients in these.

LIFE-GIVING PILLS!

Have been used with the greatest success. Their mission is not only to prevent disease, but to cure. They search out the various maladies by which the patient is suffering, and re-invigorate the failing system. To the aged and infirm a few doses of these valuable PILLS will prove to be:

A VERY FOUNTAIN OF YOUTH.

For in every case they add new life and vitality, and restore the waning energies to their pristine state. To the young and middle-aged, they will prove most invaluable, as a ready, specific, and starting medicine. Here is a dream realized, that Ponce-de-Leon sought for three hundred years, ago, and never found. He looked for a fountain that would restore the old to vigor and make youth ever

AN ETERNAL SPRING!

It was left for this day and hour to realize the dream, and show in one glorious fact, the magic that made it real.

THESE FAMOUS REMEDIES!

Cannot stay the flight of years, but they can force back and hold about diseases that might triumph over the aged and the young. Let none hesitate then, but seize the favorable opportunity that offers. When taken as prescribed—

FOR BILIOUS DISORDERS

Nothing can be more productive of cure than these Pills. Their almost magic influence is felt at once; and the usual concomitants of this most distressing disease are removed. These remedies are made from the purest

VEGETABLE COMPOUNDS.

They will not harm the most delicate female, and can be given with good effect in prescribed doses to the youngest babe.

FOR CUTANEOUS DISORDERS

And all eruptions of the skin, the SALVE is most valuable. It does not heal internally alone, but penetrates with the most searching effects to the very root of the evil.

PRIVATE MEDICAL AID.

QUICK CURES AND MODERATE CHARGES.

DR. W. K. DOHERTY'S

Private Medical and Surgical Institute

Sacramento Street, below Montgomery, opposite the Pacific Mail Steamship Company's Office. Private entrance on Leidesdorff street, San Francisco.

Established expressly to afford the afflicted sound and scientific medical aid in the treatment and cure of all Private and Chronic Diseases, cases of Scrofula and all Sexual Disorders.

TO THE AFFLICTED.

Dr. W. K. DOHERTY returns his sincere thanks to his numerous patients for their patronage, and would take this opportunity to remind them that he continues to consult at his Institute for the cure of chronic diseases of the Lungs, Liver, Kidneys, Digestive and Genito-Urinary Organs, and all private diseases, viz: Syphilis in all its forms and stages, Seminal Weakness, and all the horrid consequences of self-abuse, Gonorrhea, Gleet, Stricture, Nocturnal and Diurnal emissions, Sexual Debility, Diseases of the Back and Loins, Inflammation of the Bladder and Kidneys, etc., and, and he hopes that his long experience and successful practice will continue to ensure him a share of public patronage. By the practice of many years in Europe and the United States, he is enabled to apply the most efficient and successful remedies against diseases of all kinds. He uses no mercury, charges moderate, treats his patients in a correct and honorable way, and has no objection to being consulted by any person, male or female, who desires to be cured. All parties consulting him, he treats or otherwise, will receive the best and gentlest treatment, and a rapid cure.

Dr. Doherty would call attention to the following certificates from two of his patients, who, having fully recovered their health, desire to make known their remedial agent. It will be seen their statements are fully authenticated by a Notary Public.

The welfare of society imperiously demands their publicity and they are given more to warn the unwary than to sound the praise of a Physician, of whom hundreds of like cases can be cited during a practice of more than fifteen years.

Dr. DOHERTY.—Dear Sir: I feel my health so fully restored, that in common gratitude, I believe I should make you particularly as your fee was small for the work performed.

I arrived in this city from the East about one year ago, and was the sufferer from an old case of Gleet, complicated with Stricture. Being a stranger in this city, and believing those Doctors who gave such positive assurances of success were necessarily the best, (some of the best in the number of titles) I placed myself in their charge and continued under their treatment until I had lost nearly all hope and a considerable sum of money.

I wish to say now that the sixth Doctor I have employed, and the only one that has ever done me any service. My Gleet is wholly cured. The Stricture is all removed, and my general health is better than it has been for many years.

In conclusion, I would say to the many unfortunate who require medical advice, if you have any doubt as to whom you may employ, ask Dr. Doherty, my address and call on him, and he will cure you in this city. My experience may serve you many dollars.

I would also add that in the early stage of my disease, I used a large amount of the preparations advertised as an infallible cure for Gonorrhea, Gleet, etc., but never derived any benefit from them. I am, Doctor, very truly yours,

San Francisco, June 16, 1894.
Subscribed and sworn to before me, this 21st day of June, A. D. 1894.

A. S. GOULD, Notary Public.

Seminal Weakness—A Sworn-to Certificate of a most Remarkable Cure of Seminal Weakness.

A desire to benefit humanity, and a feeling of gratitude to Dr. W. K. Doherty, induce me to make this statement. For many years I have been afflicted with that fearful disease known as Seminal Weakness, or Spermatocoele, the result of self-abuse, but till 1883 experienced but little trouble or inconvenience. In that year however, I had Seminal Weakness to an alarming extent, which was soon followed by the most distressing symptoms as weakness of the back and limbs, pain in the head, dimness of vision, nervousness and general debility. My mind, too, was afflicted to such an extent as to lose all memory; my ideas were confused and spirits depressed; I was averse to society, had evil forebodings and self-distrust, and was entirely unfitted for any of the duties of life. From 1883 to the summer of 1888, I employed the very best medical talent I could find, and spent several hundred dollars, but in no instance obtained more than temporary relief. I had about concluded there was no cure for me in this world, but seeing Dr. Doherty's advertisement, I thought I would call and see him, as he charged nothing for consultation. I had an interview with Dr. Doherty at his office, in Sacramento street, and his fee for treatment was so reasonable, I determined to try him, though I did not expect much benefit from his treatment. On the 5th of December, I placed myself in his hands, and in one week I found myself very much improved, and after five weeks' treatment, I feel myself thoroughly cured of all my troubles, and in the enjoyment of the best health. Hoping that my experience may be of benefit to others similarly afflicted, I subscribe myself,

Subscribed and sworn to before me, this 15th day of January, A. D. 1894.

A. G. RANDALL, Notary Public.

TO FEMALES.

When a female is in trouble, or afflicted with diseases as weakness of the back and limbs, pain in the head, dimness of sight, loss of muscular power, palpitation of the heart, irritability, nervousness, extreme urinary difficulties, derangement of reproductive functions, general debility, vaginitis, all diseases of the womb, hysteria, sterility, and all other diseases peculiar to females, they should go or write once to the celebrated female doctor, W. K. Doherty, at his Medical Institute, and consult him about their troubles and disease. The Doctor is effecting more cures than any other physician in the State of California. Let no false delicacy prevent you, but apply immediately and save yourself from painful sufferings and premature death. All Married Ladies whose delicate health or other circumstances prevent an increase in their families, should write or call at Dr. W. K. Doherty's Medical Institute, and they will receive every possible relief and help. The Doctor's office is so arranged that he can be consulted without fear of observation.

TO CORRESPONDENTS.

Patients residing in any part of the State, however distant, who may desire the opinion and advice of Dr. Doherty on their respective cases, and who think proper to submit a written statement of such, in preference to holding a personal interview, are respectfully assured that their communications will be held most sacred. Dr. Doherty takes this opportunity of observing, that all letters are only opened and replied to by himself, and the latter as promptly as possible.

If the case be fully and candidly described, personal communication will be superseded, as instructions for diet, regimen, and the general treatment of the case (including the remedies), will be forwarded without delay, and in such a manner to convey no purpose of the letter or parcel so transmitted. Consultation at the office free. Permanent cure guaranteed or no pay. Address,

THIS CELEBRATED INSTITUTE

has enjoyed on this coast an uninterrupted success of fourteen years, and has become one of the renowned Hospitals of the age. What the celebrated Lock Hospital is to London, and the no less renowned establishment of Ricord is to Paris, this Institute has become to the Pacific coast. The thousands of patients among the very first of the world, and the success of its treatment ranks it among the

PRIVATE DISEASES IN MALES AND IRREGULARITIES IN FEMALES are the great destroyers of health. They insidiously attack the system and gradually undermine and destroy it; they drive the bloom from the cheek, the lustre from the eye, the strength from the frame; they give to the world weary successive generations the race of man, the marks can be seen in Scrofula, Consumption, Cripples, the Idiots, the Paralytic, the Insane, etc.

There is no more terrible scourge to the human race than those diseases arising from the contamination of Venereal Poison. The mildest forms, by retreating to the blood, hold over the afflicted one, the destruction that is liable at any moment to fall and blight—to utterly destroy the whole.

MERCURY, recognized as the most fatal medical enemy to man, combining with the Venereal, doubles its dangers. Those who have been treated with that pernicious mineral poison are not cured; the disease has only assumed a new form.

Do not be satisfied with partial cures that leave the poison to crawl through the system, eating its way into the tissues and organs, heaving the apparently smooth surface, to burst out in the future with a virulence that will battle the effects of the poison.

WHEN PERFECT CURES can be obtained by consulting a physician whose long practice and thorough investigation into the causes of DISEASES OF THE URINARY ORGANS enables to determine at once the nature of the disease.

In all the Doctor's care, PERFECT, SPEEDY AND PERMANENT.

Cures are Always Guaranteed.

In syphilis and its adjuncts: Gonorrhoea and its sequelae; all diseases of the Bladder, Kidneys, and prostate; Seminal Weakness, Diseases of the Heart and Lungs; Dyspepsia; Indigestion; Impotency; Incontinent consumption, and all diseases of the urinary organs, in either sex, cures always warranted. Seminal Weakness or Spermatocoele

The young man who experiences that growing weakness in his muscular and mental organization should stop to consider whence it arises. He will find in the weakness of the back, trembling of the limbs, disordered digestion, unaccountable falling of the powers of the mind, distaste for society, dread of impending trouble, forebodings of evil, sleeplessness, and lascivious dreams, accompanied by growing weakness, loss of muscular power, and numerous other symptoms of disorganization, the positive traces of that most terrible and destructive disease, Seminal Weakness, or Spermatocoele.

His powers, destroying his hope of life and marriage, and dragging him along the broken path of his existence towards a premature and loathsome grave. To him who finds himself dribbling out in the discharge of the vital principle of existence in the natural and diurnal emissions, the mere cessation of its appearance brings no assurance of relief.

Marriage, that holy office, the safeguard and hope of mankind, brings to such an one no hope of cure, but adds to his misery in the knowledge that he is a victim to his evil, and an innocent companion of his punishment. He adds to his misery and disorder in proper and skillful treatment. Consult then, at once, a physician whose long practice and careful treatment made thoroughly conversant with every phase of the disease. Those who have been the victims of solitary vices, that dreadful, fascinating and destructive habit, which fills thousands of households with paralytics and consumptives, and hundreds of untimely graves with its misguided victims, should consult, without a moment's delay, one who will sympathize with their sufferings. To such a man, who is ready to advise himself, giving to each and all assurance of a PERFECT AND PERMANENT CURE, without hindrance to business, change of diet, or fear of exposure.

Important to Females.

When a female is in trouble or afflicted with disease and requires medical or surgical aid, the enquiry should be, Where is there a physician who is fully competent to administer relief, and whose respectable standing in society recommends him to the confidence of the community? The Doctor understanding how imperatively necessary these requirements are, feels called upon to interpose, and beg the attention of the afflicted to the fact that he has been a Professor of Obstetrics and Female Diseases for twenty years, and is fully qualified to administer in all cases, both medically and surgically, not in a superficial manner, but in as thorough a manner as years of experience and practice—both in hospitals and private families—can make, to save them from the hands of the unqualified, unscrupulous and designing. Therefore families can rely upon him as upon a father. All in affliction can find in him one who will feel and sympathize with and befriend them in trouble—one in whose secrecy the utmost confidence can be placed. Consultation by letter or otherwise, FREE. See address below.

THE CELEBRATED FEMALE REMEDIES, compounded from the private prescription of Dr. Young, have now obtained a more extended popularity, and are correctly viewed to be the safest and surest remedies for the complaints for which they are applied. The constantly accruing testimonials of their efficacy declare them to be eminently superior in the treatment of each in preference to holding a personal interview. No lady should be without these Remedies. None genuine unless procured at this office.

MEDICAL.

DR. CHAS. H. TOZER'S

PRIVATE MEDICAL INSTITUTE,

N. E. Corner of Kearny and Jackson Streets,
SAN FRANCISCO.

The Great Eradicator of Special Complaints, Form of Lock Hospital, London, Eight Years in Sacramento, and the last Four Years in San Francisco.

DR. TOZER'S Experience is of forty years' standing, and during that time he has met with unparalleled success in the treatment of all those diseases generally known as Venereal or Chronic.

It is impossible here to mention all the diseases with which he is familiar; some, perhaps, will be out of place. The most formidable, the most difficult to mankind is Self-Abuse. The brain being the seat of the disease, the whole system suffers in consequence. I will here enumerate some of the symptoms, so that those afflicted may be able to form an opinion in regard to their complaints and seek advice in time, thereby saving themselves a world of suffering: Nervous Debility, Loss of Memory, Pain in the Limbs and Back, Palpitation of the Heart, Trembling of the limbs, Headache and an aversion to general society, especially that of females. There are a great many more, but these are sufficient, and should you be suffering from any of them, call on Dr. TOZER, and he will cure you in a short time, without any interruption to your business—or state your suffering by letter, and there will be no occasion for your calling at the office.

Stricture of the Urethra is another formidable enemy to health. Send for one of my books, and you will see the terrible results. The worst cases cured in a few days.

Venereal Diseases, In all their various forms, are completely eradicated from the system. Your constitution being restored to perfect health, there will be no danger of handing down to your children that terrible disease known as Scrofula.

Syphilitic Diseases, As it presents itself on this coast, is of a formidable character than that seen in the Atlantic States or Europe, arising from the fact of its being a compound of Spanish, Chinese and Sandwich Island diseases. Those of you who have visited the two countries no doubt have seen the dreadful effects of it on the native and foreign population. It requires altogether different modes of treatment.

The Old Formulas of Ricord, Acton and Boswick, are of little account, except to dry up the disease on the surface, leaving the poison in the blood, which, sooner or later, will show itself as a secondary disease in an aggravated form. These facts I have learned by experience, and think I can save without boasting, that I have seen more practice in these diseases than any other physician in San Francisco, dating as it does, from 1850. It becomes you, therefore, to think well before you employ a physician. Who is the proper one to consult? An old experienced one, or one who has recently settled among you?

My plan is purely vegetable, destroying the disease and purifying the blood so that there is no danger of secondary symptoms.

Elaeumatism, Neuralgia, And diseases arising from the use of Mercury, such as eruptions in the skin, bone, swellings of the different joints of the body, running sores, etc., and impurities of the blood, cured in a short time by the use of my VEGETABLE MIXTURES, known only to myself.

Seminal Weakness, Should you be afflicted with any of the following symptoms, such as weakness of the Back and Limbs, Pain in the Head, Dimness of Vision, Nervousness and General Debility, Loss of Memory, Confusion of Ideas, and Depression of Spirits, I will Forebodings of Evil, Self-distrust, and an aversion to society, consult Dr. TOZER at once, and he will restore you to perfect health.

To Females, When you are afflicted with Weakness of the Back and Limbs, Head, Loss of Muscular Power, Palpitation of the Heart, Irritability, Nervousness, Extreme Urinary Difficulties, Derangement of the Monthly Discharge, Sterility, and other diseases peculiar to females, consult Dr. TOZER, and you will receive particular attention. Let no false delicacy prevent you, but apply at once, and save yourself from painful suffering and premature death.

My rooms are so arranged that there is no danger of exposure, and of meeting any one save the Doctor or his assistants. My FEMALE MONTHLY PILLS were never known to fail in giving relief in those cases for which they are recommended. To be obtained only at my office.

Price, FIVE DOLLARS, with full directions on each Box. Sent by Mail or Express.

To Correspondents, Patients of either sex, residing in any part of the country, however distant, who may desire the opinion and advice of Dr. TOZER, can, by submitting a written statement of their case to the Doctor, receive all the attention and medicines necessary to effect a cure without the necessity of a personal interview. All letters strictly confidential, opened and replied to by the Doctor himself.

Consultation at the office or by letter, FREE. Cures in all cases guaranteed. Office hours from 9 A. M. to 9 P. M.

A Grateful Acknowledgment to Skillful Gentlemen.

Dr. Chas. H. Tozer.—Dear Sir: You will excuse me for not writing to you sooner. You will remember me as the individual who called on you for assistance about a year ago. The roof of my mouth and completely rotted out, and my palate dropped and there remained, stopping up the passage so that I could hardly eat. You remember you cut it out at once, which relieved me immediately, and I was enabled to swallow my food, and in a short time began to improve. I took your medicine, and followed your directions for several months. You finally succeeded in stopping the disease, saving my nose and upper lip, though you frequently cautioned me about losing it. I continued to improve until you finally recommended me to go into the country, and before going, by your advice, I had a cast taken of my mouth, in order that I could have a plate made for me to enable me to speak so as to be understood, and am now using it. My eternal thanks are due to you and Dr. DEMAREST for the perseverance and skill that you displayed in my case; and I have to thank you for my restored health, and even my life, as I was very near bleeding to death several times from the nose. I am now in Sacramento City, enjoying good health, and I shall recommend all my friends to call on you should they be so unfortunate as to require assistance; and I would advise all persons to avoid certain scientific doctors in your city, for they will send them to a land from whence no traveler returns.

With my best wishes for the success of both of you, I remain, yours, etc.,
To Dr. Chas. H. Tozer, San Francisco, Cal.
